

GOVERNMENT GIRLS DEGREE COLLEGE AHIRAULA, AZAMGARH

IQAC QUARTERLY MEETING-IV REPORT

13 April 2026, 02:30 PM

IQAC/2025-26/Q4

The fourth quarterly Internal Quality Assurance Cell (IQAC) meeting was convened to discuss key initiatives in academic development and institutional infrastructure. The session focused on reviewing the progress of resolutions passed in the previous quarter and establishing new benchmarks for institutional excellence.

Attendees

The meeting was attended by the following core committee members:

- **Prof. Mahendra Prakash (Principal):** Chairperson, IQAC
- **Dr. Jamaluddeen Ahamad:** IQAC-Coordinator
- **Dr. Pragyanand Prajapati:** Member
- **Anil Kumar Tiwari:** Member
- **Dr. Prannath Singh Yadaw:** Member
- **Aditi Singh Chauhan,** Office-Member

Agenda Items & Discussion Summary

Item	Discussion Summary	Resolution
Review of PM-USHA Projects	Evaluation of the progress regarding the E-Studio development and digital infrastructure upgrades funded by PM-USHA.	Final technical testing of the E-Studio for high-quality e-content creation to begin nearly. Seminar hall would be completed in May 2026.
International Collaboration Follow-up	Assessment of the outcomes from the National Webinar/Seminar held in March 2026 featuring IWD.	A seminar on international issues, featuring speakers from East Asia, is planned to be held in September 2026.
Faculty Career Advancement (CAS)	Final status check of application submitted via the Samarth Portal.	Pending CAS matter is to be verified by the principal's office by the end of the month.
Feedback Integration	Analysis of student feedback collected during the January sessions regarding ICT tool effectiveness.	Incorporate feedback into the 2026-27 academic planning to further enhance the 'Smart Class' environment.
Infrastructure & Academic Growth	Continuous deliberation on advancing institutional quality through physical and digital expansion.	Approval of a roadmap for secondary infrastructure setup starting before the summer break.

Concluding Remarks

Professor Mahendra Prakash underscored the necessity of implementing these resolutions with accuracy, particularly regarding the incorporation of ICT tools into the daily teaching and learning processes. He highlighted that the successful completion of the PM-USHA funded projects represents a major achievement for ongoing digital transformation in the college.
