GOVERNMENT GIRLS DEGREE COLLEGE
AHIRAULA, AZAMGARH

25 September 2026

INSTITUTION'S INNOVATION COUNCIL (IIC)
ACTIVITY REPORT

Event Overview & Administrative Details

Event Date	25 September 2026
Organizing Body	Institution's Innovation Council (IIC) & Internal Quality Assurance Cell (IQAC)
Participants	B.A. / B.Sc./ BCom Students, IIC Student Coordinators, and Faculty Members
Theme	Fostering Grassroots Innovation, Entrepreneurship Mindset, and Startup Incubation in Higher Education

OBJECTIVES

Under the guidance of Principal, Government Girls Degree College, Ahiraula, Azamgarh successfully organized a comprehensive institutional innovation program on 25 September 2026, under the aegis of the Institution's Innovation Council (IIC). The primary objective of the session was to cultivate a vibrant ecosystem of creativity, critical problem-solving, and entrepreneurial thinking among women students in rural and semi-urban higher education settings.

I. To bridge the gap between academic theoretical knowledge and practical entrepreneurial ventures.
II. To encourage young women scholars to conceptualize startup ideas addressing local socio-economic challenges.
III. To create awareness regarding Intellectual Property Rights (IPR), incubation support, and digital skill integration.

DETAILED PROCEEDINGS

The program commenced with a formal inaugural address by Principal Prof. Mahendra Prakash, who emphasized the crucial role of women empowerment through self-reliance and technological innovation. He highlighted how grassroots innovations can transform regional economic landscapes in Purvanchal region.

Session / Time	Topic / Activity	Key Focus Areas
Session I (10:30 AM – 11:45 AM)	Inaugural & Ideation	Understanding design thinking, identifying local community problems, and formulating innovative prototypes.
Session II (12:00 PM – 01:30 PM)	Startup & IPR Awareness Talks	Introduction to patents, copyrights, trademark filing procedures, and incubation pathways under national schemes.
Session III (02:15 PM – 03:00 PM)	Student Innovation Showcase with PPT Presentation	Presentations by student startup coordinators and innovators on sustainable community project models.

IIC COORDINATION

The successful execution of the 25 September 2026 IIC event was coordinated seamlessly by the dedicated faculty and student coordinators of the college committee, assisted by Dr. Jamaluddeen Ahamad, IQAC Coordinator.

Innovation Coordinator	**Ujala Chaurasiya**
Internship Coordinator	**Vaishnavi Rai**
IPR Coordinator	**Sapana**
Member	**Pranjali Shrivastav**
Social Media Coordinator	**Bhumika Singh**
Student Convenor	**Shraddha Singh**

OUTCOMES AND RECOMMENDATIONS

The IIC activities conducted on 25 September 2026 generated immense enthusiasm among students. Key outcomes include:

Over 32 students actively participated in the ideation workshops and project presentations. Two viable student prototype concepts focusing on digital literacy, agritech, and local handicraft marketing were identified for further incubation mentoring. Strengthening institutional linkages between student startup cells and regional vocational partners.

The program concluded with a vote of thanks delivered by the faculty convener, reinforcing the college's commitment to building a robust innovation-driven culture.
